

# International Course on Electron Microscopy Applications in Pathology Diagnostics

18 December 2021  
The Westin - Bahrain City Centre

## PROGRAM SCHEDULE

Time	Topic	Speaker
8:30 - 9:00	Registration	
9:00 - 9:05	Welcome	Dr. Kadhem Alkhenaizi - ExpressMed Labs
9:05 - 9:10	Opening Remarks	Dr. Omar Sweid - Thermo Fisher
9:10 - 9:40	Application of Cutting Edge Technology in Electron Microscopy	Mr. Baig Mirza Saleem
9:40 - 10:10	The Role of Electron Microscopy in the diagnosis and management of medical kidney disease	Dr. Muhammad Fahim Tunekar
10:10 - 10:30	Role of EM in the diagnosis of primary ciliary dyskinesias - the Omani experience	Mrs. Kawthar Al Adawi
10:30- 10:50	Coffee Break	
10:50 -11:20	The Role of Electron Microscopy in the diagnostic processs of the Muscle disease	Dr. Ali Hassan Al Asseri
11:20 - 11:50	Dermo path challenging cases	Dr. Abdulaziz Abdullah Al Ajalan
11:50 - 13:00	Prayer & Lunch Break	
13:00 - 13:30	Thermo Scientific Electron Microscopy Workflow Solutions for Pathology Research	Dr. Emine Korkmaz
13:30 - 14:00	Diagnostic usefulness of Electron Microscopy for Neuro pathology	Dr. Ali Hassan Al Asseri
14:00 - 14:15	Overview of the Electron Microscopy core facility at Sultan Qaboos University - Research & Diagnostics	Ms. Marwa Al Shukri
14:15 - 14:45	Digital Electron Microscopy advancement at your doorstep for pathology applications	Mr. Baig Mirza Saleem
14:45 - 15:15	Coffee Break & Certification and Momentums	Dr. Abdulaziz Abdullah Al Ajalan Mr. Virasath Khan
